
ON A DAY WHEN AMERICA GIVES THANKS FOR ITS FOOD, LET'S ALSO THANK THOSE WHO GROW IT

The Rich Mtn Conservation District recently assisted in the construction of a wetland pond at the Cossatot River School Outdoor Classroom

The new wetland pond at Cossatot River School Outdoor Classroom is slowly filling up.

Don Youngblood gets some assistance constructing the wetland pond by students of Cossatot River High School

Have you ever thought about keeping honey bees, but can't decide if you are ready to make that commitment? The University of Arkansas Extension Service's popular educational series, the **Complete Beekeeping Short Course**, is now available for you to watch online -- for free! All lectures are presented by UA Extension apiculture specialist **Dr. Jon Zawislak**, an entomologist and **EAS-certified Master Beekeeper**.

Click here to access it: [Complete Beekeeping Short Course Online \(uada.edu\)](https://uada.edu)

Upcoming Grazing Meetings and Seminars:

✓ **November 29, 2022** (1pm - online seminar) – **Grazing Behavior**

Presenter: Jeremy Huff, NRCS State Grazing land Specialist

You are invited to attend the weekly grazing training sessions by Jeremy Huff, the USDA/NRCS state grazing specialist. He offers these training sessions as a Zoom meeting and the instructions for logging in are included in attached flyer. If you have the Zoom app on your phone you can just scan the QR code on the flyer. If you want to watch the presentation on your computer there is a link included in the attachment. The sessions are normally every Tuesday at 1pm so [see the attached flyer](#).

"A true conservationist is a man who knows that the world is not given by his fathers, but borrowed from his children." — John James Audubon

Sorry for the delay on delivery of the nuts this year!
 We've had some unexpected shipping delays from Georgia Pecan Co. and only received a partial shipment so far.
 Please contact us to see if we can fulfill your partial order until the rest arrive in December.
 We truly apologize for the inconvenience and thank you for your support.

Proceeds benefit students in Polk County who are planning or working on a degree in agriculture or conservation
